

Founding Member Credit Policy

As one of Earth Goddess Rising's [EGR INTL] Founding Members, you receive a **Founding Member Credit** toward participation in one of Earth Goddess Rising's eligible events: from a tour, or gathering.

This credit is a special founding benefit created for the limited number of members who are helping establish the next chapter of Earth Goddess Rising.

Eligible Experiences

Your Founding Member Credit may be applied toward **one reservation** for an eligible Earth Goddess Rising journey or gathering that is either:

- Currently scheduled and open for reservation for 16 months; or
- Listed below as an upcoming experience planned to take place within the next 16 months.

Current eligible experiences include:

2027 Schedule

- **Sardinia, Italy** | 11 Days Isle of Giants Journey
- **Ireland & Scotland** | 8 Day Celtic Goddess / 12 Day Spiral of the Ancients Journey
- **Greece** | 10 Day Sacred Temple Path Journey September
- **Türkiye** | Footsteps of the Gods & Goddesses / Pilgrimage Journey October
- **Appalachian Mountains** | Fall 2027 Tour October
- **Earth Song Gathering** | Lesvos, Greece, 4-day gathering | Details to be announced

Additional experiences may be added to the eligible list at the discretion of Earth Goddess Rising.

Reservation of Your Credit

The Founding Member Credit must be applied toward **one eligible scheduled or listed experience**. The credit cannot be exchanged for cash, transferred into a general monetary balance, or used toward an experience that is not included on the eligible list.

The credit is applied to the member's reservation balance for the selected experience.

If you have not yet selected your experience, your Founding Member Credit may be reserved while you decide which eligible journey or gathering you would like to attend,

subject to the terms and availability of that experience.

No Cash Value / No Refunds

The Founding Member Credit has **no cash value** and cannot be redeemed for cash or refunded.

Once a reservation has been made using the credit, the credit remains subject to Earth Goddess Rising's cancellation and transfer policies for that particular experience.

All Founding Member Credit purchases are final. No refunds will be issued for the founding membership or the credit itself.

Changes to Listed Experiences

Travel experiences are living creations, and dates, locations, itineraries, and program details may occasionally change due to circumstances beyond our control.

Earth Goddess Rising reserves the right to modify, postpone, or discontinue a listed experience. When this occurs, members will be offered an appropriate alternative eligible experience or the opportunity to apply their credit toward another eligible Earth Goddess Rising journey (tour) or gathering.

The Founding Circle

Founding Member Credits are limited and available only to the designated Founding Members.

By becoming a Founding Member, you are not simply receiving a discount. You are helping provide the foundation for the next chapter of Earth Goddess Rising and becoming part of the small circle of people who helped bring this vision into its next form.

The first four memberships are designated as the Four Pillars. Following those four founding memberships, two additional founding memberships will be available as the Twin Stars.

Earth Goddess Rising reserves the right to establish the final number of Founding Memberships and to close the Founding Member opportunity once all designated memberships have been claimed.
